4. No wonder there's an A-List following from celebrities like Eva Longoria and Kate Winslet for Red Engine's "Cinder" jeans. The line uses only the world's premium denim and hand detailing to create an irresistibly comfortable, high-fashion silhouette that slims the hips and flatters the curves of a woman's body.

5. Fall demands a luminous radiance that Estee Lauder's Sensuous Gold Fall Color Collection offers. This uniquely feminine collection uses luxurious colors like golden amber, regal amethyst and copper tones to accentuate the cheeks, eyes and lips for a sophisticated look.

6. Gather the entire family for Ballet Austin's *Peter and the Wolf*, an engaging and comical production where children interact by helping dancers choreograph during the show. The charming production will be held at the AustinVentures Studio Theater September 12 - 20.

7. Transform any outfit while stepping out in style with **Christian Louboutin's So Private Metallic Slingback**. This striking shoe will up the ante from dreary to exhilarating. Available at Neiman Marcus.

8. Add some flair to your cocktail with **VeeV**, an innovative vodka made from Brazilian super fruit Acai. The new spirit smoothes and spices up any drink recipe with its signature berry flavor.

9. Learn how to strut and kick while hearing exhilarating stories from native Texan members of the world famous **Rockettes** during their Dallas/Fort Worth press tour September 15 -18.
